INTRODUCTION AND WELCOME

Welcome to the 2020 Netier National Capital Rally. The rally is a compact event being Round 1 of the Motorsport Australia Rally Championship® incorporating ARC2, ARC3, JARC and the ARC Manufacturers categories. The rally is also Round 1 of the MTA Motorsport Australia New South Wales Rally Championship, the East Coast Classic Rally Series and the Techworkz Automotive ACT Regional Rally Series.

Events of this magnitude cannot happen without the tireless work and assistance of key stakeholders and I would personally like to thank all officials for their efforts in the lead up and during the event. A special mention must go to the team at the Brindabella Motor Sport Club for their incredible support for this event

We acknowledge the support of Netier & Abode Hotels who have committed for a further 3 years and the ongoing support of the ACT Government. The Netier National Capital Rally has been designed with the competitor in mind utilising some of the best roads Canberra has to offer. The event has been set to be as compact as possible for the benefits of both crews, teams, media and other stakeholders.

We look forward to receiving your entry for one of the most exciting and dynamic events of the year. The city of Canberra awaits you.

Yours Sincerely

Adrian Dudok
